

2023 BHC Dedicated Hunter Annual Report

BHC MEMBERSHIP NUMBER:

DEDICATED HUNTER NUMBER:

The Border Hunting Club (affiliated to FOSA on SAPS Accreditation Registration Number Dedicated Hunting 1300151) empowered by Regulation 4 (1) - inter alia - the following:

"A hunting association that applies for accreditation must, in addition to the relevant information required by Regulation 2, submit proof to the satisfaction of the Registrar that (c) it has a dedicated procedure in place to regularly evaluate its dedicated members for their:

- (i) *bona fides* to be or remain a dedicated hunter and
- (ii) the dedicated participation in their applicable hunting activities.
- (d) it keeps on record the particulars of their participation by dedicated members in their hunting activities as a dedicated hunter.

Therefore, the BHC, affiliated to an accredited association, is obliged by law to require from dedicated members the submission of an Annual Dedicated Activities Report on an annual basis. **This report is thus a compulsory requirement and is essential to maintain the Dedicated Hunter Status annually.**

The BHC requires you to complete the **BHC Summarised Annual Dedicated Activities Report – BHC SADAR** (over the page).

The BHC SADAR must be submitted annually to the club, such that we can verify your Dedicated Activities and membership in good standing.

If you have not been active, a "inactive" report must be provided to the BHC in order to maintain a Dedicated Hunter Status. **NOTE:** an unsuccessful hunt is still evidence of participation of a dedicated hunter!

PLEASE NOTE

We need every Dedicated Hunter's **BHC Summarised Annual Dedicated Activities Report (BHC - SADAR)**, for the BHC to keep you on their Dedicated Hunter's Register for confirmation to the Central Firearms Registry. The final cut-off for this is **30 November 2023**.
